(f) how much quantity of coke/coal was permitted to be imported by the private parties in the year 1990-91 and 1991-92; and

(g) what steps Government have taken to ensure the quality of the imported items mentioned in part (b) above?

THE MINISTER OF STATE IN THE MINISTRY OF STEEL (SHRI SONTOSH MOHAN DEV): (a) and (c) After taking into consideration the demand for coking coal of integrated steel plants of Steel Authority of India Limited (SAIL), Visakhapatnam Steel Plant (VSP) and Tata Iron and Steel Company Limited (TISCO) and availability of coking coal, qualitatively as well as quantitatively, from indigenous sources (including captive sources), it is expected that total imports of coking coal by these companies will be around 7 million tonnes during 1992-93 and 1993-94. The sources/countries from where imports are to be made have not yet been fully identified. This is dependent upon the commercially beneficial bids/proposals to be received from global parties.

(b) Targetted production of coking coal by Caol India Limited and its subsidiaries is expected to be 11.04 million tonnes and 12.16 million tonnes during 1992-93 and 1993-94 respectively. In addition, production from the captive mines of SAIL and TISCO is around 0.5 million tonnes and 2.0 million tonnes respectively.

(d) and (e) For production of steel, no permission is required for import of any type of coal/coke.

(f) TISCO, an integrated steel plant in the private sector imported 0.722 million tonnes and 0.843 million tonnes of low ash metallurgical coking coal/coke during 1990-91 and 1991-92.

(g) Importers provide in the contract for inspection and analysis of coking coal to ensure that the same conforms to the agreed specifications.
